

## Change for Life Baby Bottle Campaign

Baby bottle banks are a fun and easy way to give back to your community with little effort. Baby bottles help raise awareness of the critical funds needed to support Options Health and impacts expecting mothers and their families and new moms with infants up to 24 months old. To learn more about our no cost programs and services, please visit [www.optionshealth.org](http://www.optionshealth.org).

### How to participate

Your small business, corporation, scout troop, school, church, youth group, neighborhood or family can participate by completing the form below and submitting it to Options Health.

- 1) Choose the time of year, holiday, or special event to launch your campaign and let us know how many bottles you would like below. Any un-used bottles are returned at the close of the campaign. We recommend a campaign length of 4-6 weeks.
- 2) Options will print and stuff your bottles with a color insert including your collection date.
- 3) Choose a location to pass out bottles and get permission to have a table set up. An Options Health representative may be available upon request for larger church groups.
- 4) Collect your bottles at the end of your campaign and coordinate delivery or pick-up!
