

Change for Life Baby Bottle Campaign

Baby bottle banks are a fun and easy way to engage in supporting your community! Baby bottles helps raise awareness of the critical funds needed to support Options Health. To learn more about our no-cost programs and services, visit www.optionshealth.org today.

How do I participate?

Your small business, corporation, school, church, youth group, small group, neighborhood, or family can participate by completing the form below and submitting it to Options Health.

- 1) Choose the time of year you want to launch your campaign and let us know how many bottles you would like. Any un-used bottles are returned at the close of the campaign.
- 2) Options will print and stuff your bottles with a color insert that includes your collection date.
- 3) Choose a location to pass out bottles and get permission to have a table set up.
- 4) Collect your bottles at the end of your campaign and coordinate getting them to us!

When would you like to run your campaign?
